## **Zones, Inc., Named “HP Partner of the Year” at HP Reinvent: World Partner Forum**

### **Partner Awards Program Highlights Success in the Channel in 2017**

AUBURN, Wash., September 13, 2017 — Today at HP Reinvent, HP Inc.’s largest global partner forum, the “HP Partner of the Year” award was presented to Zones, Inc. The annual forum, hosted this year in Chicago, brought together more than 1,400 HP Partners from across the globe along with HP CEO Dion Weisler and his entire executive channel team. Zones was praised in the sub-category of HP U.S. Personal Systems National Solution Provider of the Year.

The winning partners are evaluated across a variety of criteria including innovation, category leadership across print, PC and supplier, distributor and re-seller categories. Globally more than 50 partners were honored.

“Zones was chosen out of select group of valued partners based on a variety of revenue and growth factors that were reviewed and ultimately determined by our channel leadership team. This year’s award winners are perfect examples of what happens when we focus on driving strategic growth together. Congratulations on this well-deserved award!” said Stephanie Dismore, HP Vice President and General Manager, Americas Channels.

“We are delighted to accept this award and recognition from HP, which reflects the strong value we are bringing to customers around the globe,” said Mike Dennis, Vice President of Partner and Product Management for the client and mobility business at Zones. “Winning the HP Partner of the Year Award demonstrates our continued commitment to HP Inc. It also emphasizes our expertise with mobility transformation and digital worker modernization, utilizing HP’s robust portfolio of client and print solutions, which helps us to enable our customers and lets them quickly evolve their mobile strategy.”

## **About Zones**

Zones, Inc. is a leading global IT solutions provider of advanced technology and services focusing on digital modernization, network optimization, and data center transformation. We deliver complex IT solutions simply across the IT infrastructure including Data Center, Mobility, Unified Communications, Cloud, Security, and Internet of Things. Zones is transforming business, healthcare, public sector, and retail by finding new ways for technology to take ideas from concept to reality. Zones holds the highest levels of technical certification from every key IT provider we represent, including HP Inc.
