Zones Highlights Technology Solutions to Improve Patient Care at HIMSS 2015

Solutions Provider Highlights Expertise in Healthcare in HIMSS Booth #8624

AUBURN, Wash., April 13, 2015 — At this week's 2015 HIMSS Annual Conference and Exhibition in Chicago, Zones, Inc., highlights how healthcare is transformed through the use of technology. Exhibiting at HIMSS in booth #8624, Zones demonstrates solutions to improve patient care, support electronic medical and health records (EMR/EHR), further mobility initiatives and strengthen network and data security.

With a range of solutions suited for the demanding, always-on healthcare environment, Zones helps healthcare organizations understand the scope and expected outcomes of technology projects.

"Healthcare professionals are faced with a myriad of challenges, many of which can be solved with innovative use of technology," said Amanda Triana, director of Healthcare Sales at Zones. "The HIMSS event allows us to demonstrate our solutions for mobile patient care, EMR and security—solution areas that are critically important for healthcare professionals and patients today."

With deep experience in the healthcare market, Zones has received multiple awards and partners with some of the biggest names in healthcare. Recently, Zones was named as Premier Inc.'s 2014 Supplier Diversity Award winner. Find more information about Zones' Premier Diversity Award in the recent press release.

Visit Zones at HIMSS 2015 and witness healthcare IT solutions that help achieve meaningful use, at any stage. Learn more about Zones Healthcare here.

About Zones

Zones, Inc., supports business, healthcare, the public sector and specialty markets by applying innovative technology solutions across a variety of specializations including networking, security, software, storage, mobility, data center and virtualization. Zones holds the highest levels of technical certification from every key solution provider we represent, including Cisco Gold, EMC Velocity Premier, Dell Server and Storage Technical, IBM System and Storage Technical, HP Enterprise Networking and VMware Infrastructure, among others. Zones is an eight-time recipient of the Microsoft Excellence in Operations award and was also recognized as the 2013 Microsoft Partner of the Year for Volume Licensing. Incorporated in 1988, Zones is headquartered in Auburn, Wash., and is a certified MBE company.
