## CloudCover and Zones Partner to Revolutionize Cybersecurity for Digital Transformation

**CloudCover® announces its partnership with Zones, to enable global access to their advanced threat prevention cybersecurity platform.**

**Auburn, WA, October 06, 2023** — Zones, a global provider of end-to-end IT solutions with an unmatched supply chain can now deliver CloudCover's unique cybersecurity platform, offering a new XDR/SASE security-as-a-service as part of its security practice.

CloudCover's strategic technology will contribute embedded risk control and risk management standards. CloudCover will expand its agentless risk analytics that provides microsecond risk aware/control and further establishes in-network cybersecurity insurance system and methods.

"The Zones partnership offers an opportunity to engage in business-driven collaboration with leading global organizations. Together, we enable dynamic, trusted Zones services that empower enterprises to embrace their digital transformation and grow their business. We welcome CloudCover as the newest addition to our growing, vibrant community of Zones partners who are working to enhance our cybersecurity practice area," said Derrek Hallock, President, and COO of Zones.

"We are eager to partner with the Zones community and begin collaborating to address the industry's cybersecurity challenges to empower enterprise digital transformation," said Mike Ducatelli, CRO of CloudCover. "This partnership expands CloudCover's offering to include channel sales opportunity of the scale and confidence that our cybersecurity technology and our cyber insurance platform is capable of providing the marketplace."

This initiative reinforces Zones' commitment to promoting diversity, equity, and inclusivity within the business world. The recent recognition of Zones as Supplier of the Year (SOY) by the Florida State Minority Supplier Development Council (FSMSDC) further exemplifies the company's dedication to advancing diversity and empowering women in business.
