Global Solution Provider Zones Recognized for Customer Success & Innovation by CRN

Zones Extensive Managed Service Offering Portfolio Secures Zones Position Amongst
CRN's 2023 MSP Elite 150

Auburn, WA--- For the second year in a row, **Zones**, a Global Solution Provider of comprehensive IT services and solutions for organizations of all sizes, has been named to the Elite 150 category of the 2023 Managed Service Provider [\(MSP\) 500 List](#) published by CRN®, a brand of The Channel Company.

Zones' recognition as one of the Elite 150 is a significant accomplishment and reflects the company's commitment to delivering the highest-quality managed solutions to its customers. With its extensive managed services portfolio, cutting-edge technology, and advanced capabilities, Zones is well-equipped to meet the evolving needs of its customers and provide them with a competitive advantage in the marketplace.

CRN's annual MSP 500 list highlights top service providers in North America leading the industry with innovative managed services solutions, fueling growth for the channel. The Elite 150 companies have a broad range of managed services offerings, including on-premises and off-premises capabilities, focusing on midmarket and enterprise clients.

Zones has created a robust suite of services across Digital Workplace, Cloud and Data Center, Networking, and Security. [Zones Innovation Center](#) is a multidisciplinary and collaborative technology environment that helps transform business use cases into working prototypes. Leveraging technology experts, OEM alliances, and scalable technology platforms, Zones assists businesses in simplifying and accelerating their digital journeys.

About Zones

Zones is a global provider of end-to-end IT solutions with an unmatched supply chain. Positioned to be the IT partner you need, Zones, a Minority Business Enterprise (MBE) in business for over 35 years, specializes in Digital Workplace, Cloud & Data Center, Networking, Security, and Managed/Professional/Staffing services. Operating in more than 120 countries, leveraging a robust portfolio, and utilizing the highest certification levels from key partners, including Microsoft, Apple, Cisco, Lenovo, Adobe, and more, Zones has mastered the science of building digital infrastructures that change the way modern organizations do business. Whatever you need, you can **Consider IT Done**.
