## **Zones' IT Solutions Delivery Excellence Acknowledged Third Consecutive Year by CRN**

**Auburn, WA, June 19, 2023** — Zones, a Global Solution Provider of comprehensive IT services and solutions, proudly celebrates its third consecutive placement on CRN's coveted Solution Provider (SP) 500 list for 2023. Ranking in the "Top #30", Zones continues to establish itself as the gold standard for delivering exceptional IT solutions.

Zones earned its place at the top through its steadfast commitment to providing comprehensive IT services and groundbreaking solutions. Renowned for exceeding customer expectations, Zones possesses an in-depth understanding of organizations' evolving needs, establishing itself as a trusted influencer within the IT industry and a driving force in the global technology supply chain. This accolade reaffirms Zones' leadership in IT solutions and their consistent ability to deliver tangible value to clients.

"We are thrilled to be once again recognized as a global leader in IT services," commented Derrek Hallock, President of Zones. "Our commitment to customers transcends mere problem-solving; we take a holistic approach to understand their unique needs and deliver comprehensive IT services and groundbreaking solutions. Our goal is to empower our clients by not only resolving their immediate challenges but also enabling them to save valuable time and resources, ultimately allowing them to focus on what truly matters—their core business."
