an intensely competitive marketplace. Her recognition underscores the incredible impact of her visionary leadership and innovative marketing approach.

Liz Fierro and Julie Thomas-Wagner have earned their place among the esteemed **Women of the Channel** through their exceptional leadership and dedication to delivering results for Zones' customers. Their profound expertise in technology solutions, coupled with their exceptional communication and relationship-building skills, make them indispensable members of the Zones team. Clients trust them for their wise counsel and guidance, and their recognition among the Women of the Channel is a testament to their remarkable impact.

“As a minority-owned business, Zones values diversity and inclusivity. Our continued success reflects the unique perspectives of our team members,” said Derrek Hallock, President, and COO of Zones. “We congratulate these women on this well-deserved honor and recognize that Zones is stronger because of our diverse leadership. We look forward to seeing what they do next.”

About Zones

Zones is a global provider of end-to-end IT solutions with an unmatched supply chain. Positioned to be the IT partner you need, Zones, a Minority Business Enterprise (MBE) in business for over 35 years, specializes in Digital Workplace, Cloud & Data Center, Networking, Security, and Managed/Professional/Staffing services.
