Zones LLC Featured on Forbes' List of America's Largest Private Companies for the Third Consecutive Year

Auburn, WA, December 12, 2024 — Zones, a global leader in end-to-end IT solutions, proudly announces its inclusion on Forbes' prestigious list of America's Largest Private Companies for the third consecutive year. This recognition highlights Zones' sustained growth, innovation, and commitment to delivering world-class technology solutions to clients worldwide.

The Forbes list celebrates privately-owned companies excelling in size, revenue, and influence. Zones' consistent presence on this list is a testament to its unwavering dedication to providing transformative IT services, fostering strong client relationships, and driving industry-leading initiatives.

Firoz Lalji, Chairman and CEO of Zones LLC said, "We are honored to be recognized on Forbes' list once again. This milestone reflects the passion and hard work of our global team and our continued commitment to delivering exceptional value to our customers and partners. As we grow, we remain focused on innovation, operational excellence, and creating impactful solutions for businesses around the world."

Zones has established itself as a trusted partner in delivering end-to-end IT solutions, offering expertise in cloud and data centers, networking, security, digital workplaces, IT lifecycle services, and staff augmentation. The company's global presence and dedication to excellence continue to drive its success and recognition.
