

HP LaserJet P1505 vs. Xerox Phaser 3124

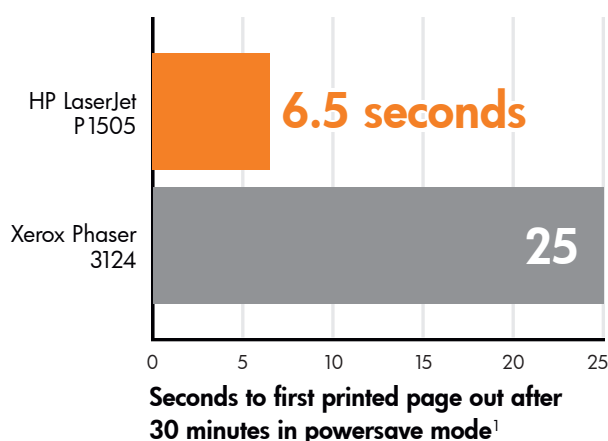

Boost productivity and reduce costs with the HP LaserJet P1505 printer

- **Fast, on-demand printing** — Instant-on Technology lets your HP LaserJet P1505 print up to 8 pages from powersave mode before the Xerox Phaser 3124 can even finish warming up.
- **Energy efficient** — The advanced, fast-heating ceramic element within your HP LaserJet P1505's Instant-on Fuser consumes significantly less energy than the conventional fuser Xerox builds into the Phaser 3124. Your HP LaserJet also meets the new, more strict ENERGY STAR® rules that went into effect April 1, 2007.
- **Faster processor** — Enjoy fast sustained performance thanks in part to your HP LaserJet P1505's powerful processor (266 MHz vs. the Xerox Phaser 3124's 150-MHz chip).
- **Unparalleled print quality** — The HP LaserJet P1505 delivers true 1,200 x 1,200 dpi vs. 1,200 x 600 dpi effective resolution for the Xerox Phaser 3124.
- **Superior paper handling** — You can place up to 10 sheets or envelopes in your HP LaserJet P1505's priority input tray vs. only 1 sheet for the Xerox Phaser 3124. And unlike Xerox, HP offers manual duplex support.
- **Faster connectivity** — Your HP LaserJet P1505 delivers high-speed USB 2.0 connectivity vs. USB 1.1 for Xerox Phaser 3124 users.
- **Broader client OS support** — Your HP LaserJet P1505 supports Mac OS X (v.10.28, v.10.3, and v.10.4), Linux, and UNIX. The Xerox Phaser 3124 does not support any of these operating systems.

Save time and energy with HP LaserJets

HP Instant-on technology virtually eliminates warm-up time, letting HP LaserJet P1505 users print some documents before Xerox's Phaser 3124 can even finish warming up. HP Instant-on fusers also use far less energy than their Xerox counterparts.

Enjoy less-obtrusive printing with HP

Free up desk space and reduce distractions with HP. For instance, the HP LaserJet P1505 consumes 23% less space than the Xerox Phaser 3124. Plus the HP device is inaudible in ready mode, whereas the Xerox unit emits up to 35 decibels.
