### Make it easier for people to communicate and collaborate

Whether they're in the office, at a customer's office, traveling between meetings, or telecommuting, people need the ability to work with colleagues and access the most up-to-date information. They need communication and collaboration tools that make their lives easier and are available virtually anywhere, anytime. That's where communication and collaboration solutions from Microsoft can help.

Operational Excellence Award  
Gold Level Award -- Microsoft
