

Get ready to boost your productivity, drive automated design, and go digital.

QuarkXPress — the most reliable print design and publishing tool — is about to become the easiest, most powerful tool for digital design and publishing. QuarkXPress 9 opens a whole new world of digital design and publishing in one tool, with one familiar interface, at one reasonable price — no coding or programming required.

Create the ultimate mobile experience: Design your own iPad™ apps with App Studio for QuarkXPress, then publish and control your own interactive publications. Tap into the exploding e-book market: Convert your QuarkXPress layouts into standardized eBooks for the iPad, Sony® Reader, NOOK®, and more. Bring rich, interactive design to the eBook marketplace: Create interactive content for the Blio® eReader — the most accessible and versatile e-reader on the market. Then sell it through the Blio online bookstore.
