Zones Showcases Technology Solutions for Healthcare at Premier Breakthroughs Conference

Solutions Provider Demonstrates Technology to Improve Patient Care in Booth #1029

NATIONAL HARBOR, Md., June 24, 2015 — During the [2015 Premier Breakthroughs Conference and Exhibition](#) this week in National Harbor, Maryland, [Zones, Inc.](#), highlights the ways healthcare can be improved and transformed through the innovative use of technology. Exhibiting in booth #1029 on “Diversity Row,” Zones demonstrates technology solutions to support healthcare-related mobility and storage initiatives, strengthen network and data security, and improve patient care.

Zones has a long-standing relationship with Premier, a leading healthcare improvement company. Premier, Inc. honored Zones as its 2014 Supplier Diversity Award winner. Find more information about Zones’ Premier Diversity Award in the [2014 press release](#).

With a range of solutions suited for the demanding, always-on healthcare environment, Zones helps healthcare organizations understand the scope and expected outcomes of technology projects.

“As one of Premier’s contracted suppliers, we are proud to showcase our expertise during the annual Premier Breakthroughs conference,” said Robert McGowen, senior vice president of SMB Sales at Zones. “We offer innovative and productive solutions for healthcare IT professionals to positively impact their IT infrastructures and ultimately improve patient care.”

Visit Zones at Breakthroughs and witness healthcare IT solutions that help achieve meaningful use, at any stage. Learn more about Zones Healthcare [here](#).

About Zones
